Saturday Workdays

Due to the increased use of the theater by other organizations, such as the IUP Film Series, we need to make certain our part of the theater is secure and that our valuables are safe. The theater basement (our area) houses the costume room, green room, makeup areas, props, the workroom and carpentry areas. Our goal is to close off all entrances to the basement and ensure that they remain for the Players' use only.

No one else is going to do this for us; it is solely the Indiana Players' responsibility. So in preparation for the Film Series, we need to clean out the theater and the basement and get our house in order. Several members, most notably **Rob Stoerkel**, have already spent numerous hours helping to organize the theater, but more help is needed. Every Saturday we will be working in the theater from 10:00 a.m. to 2:00 p.m. to finish this project. If you can spare even one Saturday, please come join us for a few hours. You'll find it time well spent.

Special Recognition

The Indiana Players have received a "Thank you" from the folks at Camp Orenda, a camp for the mentally and physically disabled. A group of teenage IPI members went to the camp and performed a version of the play *Cinderella*. Adapted by **Harlan Chambers**, the show was performed by him and **Jenny Cupp, Kate Duncan, Natalia Kaniasty, Tyler McPhearson, Maria Miller, Sam Sherbourne, Johnny Smith, Amy Steelman and Anna Ellermeyer**. IPI named the group "Volunteers of the Month" in July for taking time out of their summer vacation to perform for the less fortunate.
