The Guys

Based on a true story, *The Guys* introduces the audience to Nick, a New York City fire captain who lost most of his men at the World Trade Center and now faces the daunting task of writing their eulogies. Coming to help is Joan, a New York writer who helps organize his thoughts and put his emotions into words while dealing with her own set of emotions. Starting out as an arms-length observer, she is soon drawn into the lives that Nick's men lived.

Directed by **Peggy Buckley**, *The Guys* stars **Jessica Glass** and **Tony DeLoreto**. Now entering its final weekend, the performance dates are **September 15 and 16 at 8:00 p.m. and September 17 at 2:00 p.m.** during the New Growth ArtsFest!

Firemen, policemen, and EMT first responders will be admitted to all shows for FREE.
