Just in time for Halloween, "Let's do the Timewarp again!" A straight-laced couple runs into some very strange characters when, on a dark and stormy night, their car blows a tire near an eerie castle in the middle of the woods. This cult classic features cross-dressing vampires, transsexual aliens, and a whole lot of rock 'n' roll. Surprises abound around every corner, and you won't believe what's hidden in the freezer.
