Winter 2009

Next up at the Playhouse:

The Emmy Award-winning 1970s Saturday morning cartoon series that taught history, grammar, math, science and politics through clever, tuneful songs is brought to life in this high energy musical featuring the kids from the 2008 Indiana Playhouse summer workshops. The all under-18 cast gets to play teacher as they remind you of chlorophyll's vital role in photosynthesis and explain why it is improper English to end a sentence with a preposition. So practice your multiplication tables and get out your flash cards because school is back in session! Directed by James Chapman.

Show dates are March 13, 14, 15, 20, 21, & 22.

Tickets: \$10.00 – Students/Seniors: \$8.00
